KID'S TRIVIAPAK *is a trivia game designed for the junior
high through high school student. Most questions are
True/False or multiple choice which gives the "good
guesser" a fair chance of winning also!*

*There are 9 "QUESTIONPAKS" containing 120 questions each
that provide 1,080 new questions for hours of fun. The
questions are arranged in 6 catagories. Up to 4 people
or groups try to answer at least one question in each
catagory correctly. After doing so, you get to choose
your "Winning Catagory". When you answer a question
correctly in your "Winning Catagory", you win the game.
The winner's score is recorded and displayed in the
"KID'S TRIVIAPAK HALL OF FAME".*

TO PLAY: *Pull the <RESET> or type "RUN HELLO". The game
contains SmartBASIC and will leave your ADAM in BASIC
when you exit the program.*

*The Questionpak, questions and catagories are randomly
selected so no 2 games will be the same.   Have fun.*
