Galaxian (ColecoVision)

The ColecoVision *Galaxian* is another one of those then-rather-common instances of console developers making games for each others' systems.

Hidden Text

The "ColecoVision presents" screen text at **0x24** is both unused and contains a rather unusual message and copyright date:

```
SYSTEM CRASH
IN SECTOR 84
2045
```

A programmer's note is hidden in the ROM at **0x302**:

Galaxian

Developer: Atari, Inc.
Publisher: Atari, Inc.
Platform: ColecoVision
Released in US: 1983
